How do! Getting back in to Senate life with Bev

Hello fellow Senators, my name is Bev Briskey #58992 and I am your President for the 2010-2011 year. I want to thank the members for the vote of confidence and for the headaches I already have encountered in this position. It's really ok so far but I am already looking for next year's President. I want to thank Buffalo Bob for his year. He got in touch with Senators that haven't been heard from in years. I hope more of you respond and take time to call, write, come out, or say 'how do'. We also want to know about deaths and illnesses as we are working real hard to update our list of members.

A little about myself, as a single mother of one son, I am now involved with his golf team as it is his first year in High School and playing golf. I am also the WA Jaycee Foundation President, Secretary of my son's Boy Scout troop, President of the PTA District (Franklin Pierce), a member of the Stream Team, and member of the Eagles. Besides working 40 hours + the 1-2 hr bus ride each way every day (to Seattle), and 3 weekends a quarter, oh and did I mention I am trying to start up a Social Healthy Chocolate business!(cocoa bev.com) So I can only do what I can do. One thing you do need to be aware of; is at home I am on dial up still, have no printer and no sound. I also only check my e-mails 1-2 times a week (usually at 3:30am).

We had a great summer between Emerald Downs,(where a few of us made money!), Dayton Craze, a National Convention in California, a Jaycee picnic, and family time.

We are having have board meetings sometimes every other month, this past week on Oct 12 (in Seattle), Nov 13th at the Jaycee Convention in Ellensburg, January 29th at the Jaycee Convention in Westport, March 8th in Seattle, and our Annual meeting in May. Our Newsletter, we will try and get out at least four times a year, yes this is the first one, so if you want to contribute let a board member know. We are also running First Timers at all Jaycee State meetings and might gear hospitality towards that. Please think about getting an Entertainment Book to support us (it is our only fundraiser), and look for those white elephants for the Holiday social. Remember your relatives for the scholarships, and please let us know if you know of someone who is ill or has passed on. we are tweaking the by-laws, and Have a date for Emerald Downs next year, so remember when you were a Jaycee, write down a few good stories, cause there will be anniversary happenings happening next year. Reach out and touch.

Senate Membership News

Membership and Roster Chairman – Angie Struttman #64531

Just when you thought it was safe to open your newsletter, I'M BAAACCCKKK!!!
Yes, it's me, back from serving on the National JCI Senate Board, and ready to work here in Washington again! And, never one to take baby steps, I am taking on more than one position! Imagine that...

Membership: We have 10 Senators who have their National membership due by December 1st. Ed Barnes #23339, Dale Pickle Gehrke #L39835, Joe Gong #66204, George Kivett #L49215, Erin McCormack #58208, Thom McMahan #L31032, Larry Tall Guy Olson #65767, Linda Smith #L57328, Randall Hot Rod Standish #L61453, and Ketra Stumpf #65345. If there is an "L" in front of your number, you are a life member and only need to pay the \$5 National Dues. If there is NOT an "L", then you are an annual member and should pay \$30 to cover your State and National Dues. There is a dues billing form in this newsletter, please use that to submit your payment. Please let me know either by phone (253-677-7079) or email (wajci64531@hotmail.com) by November 15th if you plan to renew. I will be following up with those I don't hear from by that time. The way that National is working it this year is if we don't tell them otherwise, you are being renewed. Personally, I would rather know for sure, so please let me know. And, by the way, if you want to receive the National JCI Senate Magazine, The Mentors, please contact me. We can get you added onto the list to receive those mailings.

Roster: We have WAY TOO MANY Senators who we have lost touch with, and don't have email addresses or phone numbers for. By the time you get this newsletter, the most current roster will be up on the Senate Website at www.wajcisenate.org. Please, take a moment to look it over, make sure that your information is correct, and let me know if there are any other corrections that you know of. My goal is to have this as complete as humanly possible by the end of this calendar year. With the 75th Anniversary of the Washington Jaycees coming up next spring, we want to make sure we get the word out to as many former members as we can.

I look forward to helping President Bev and the Board have a successful year.

First Timers Program:

It was fun seeing the participants at the 2010 WA Jaycees Year-end Convention! It was amusing watching them going around introducing themselves, asking questions, asking for signatures! Like we all did. It's always enjoyable as a Senator, seeing the Senate promoting the "1st Timers" program! Need volunteer to chair this year's program!

EMERALD DOWNS – 2011

JULY 9, 2011

Attention Senators

Now is the time to put Emerald Downs on your calendar so you can plan for a good Saturday of fun and entertainment. We have done this project for many years, and have always had a good time. The races are exciting, and the betting pool run by Mike McDermott always turns into an interesting, and sometimes profitable, proposition. You have to be there to see what goes on and keep an eye on Mike to insure your money is put into the right places!!

Remember July 9, 2011. Write it down, or put it in a place where you will not lose it. The cost will be the usual \$40 per person. The price includes a fantastic buffet lunch, a betting sheet and official program, and great times with friends and family in the View Room. Starting time is usually around 12:30 and runs until the races are finished.

We are planning for a Washington JCI Senate featured race. We get our name on the track scoreboard so everyone at the track knows we are there, and a few Senators get to view the race from trackside and see the winning horse and jockey. There is also a picture taken so we can all remember the event!!

July 9, 2011. Don't forget. Plan on being there. Ticket information and availability will be posted in future newsletters. You can call me or e-mail me for any information you need to get this great day on your calendars.

Thanks,

Dave Amlin #34152, Walnetto14@aol.com, (206) 795-3817

Holiday Party

Please save the date on your calendars! The 4th Annual WA JCI Senate Holiday/Christmas Party will be at the Tukwila Sizzler from 6-9 p.m. on December 4th.

Keep your eyes open for that ideal White Elephant gift to wrap up for the gift exchange! We'll have the back room all to ourselves. Please bring your spouses, significant others, and Jaycee friends along!

We would love to see our eastern brothers and sisters come on over! If the weather's rough in the passes, find someone over here to stay with, or try Priceline (www.priceline.com) for inexpensive hotel rooms. I think the Doubletree Inn is the closest - where the national convention was in '98.

Return the Favor Chair – Angie Struttmann #64531

OK, Hat #3...The purpose of the Return the Favor program is to give back to our local chapters and state organization when possible. You can do this by helping at projects, mentoring members, recruiting new members for the chapter, working on fundraisers, conducting training, etc. There is no limit to what you can do "Return the Favor" to the Jaycees!

This year, things are quite a bit different in the way of reporting to National. The National RTF Program Manager has forms that the Local or State Jaycee Presidents are to sign. They aren't looking just for hours and bodies – they want to see the impact that the Senate is having on the Jaycees in our area.

I am sending these forms to the local chapter contacts and state officers, and posting them on our State JCI Senate website. Take a look at them, and get a rough idea of what the National Program Manager is looking for. If you still want to submit hours to me, I will take them, but please let me know what chapter you are working with, and what the project or event was. I will follow up with the chapter contacts and have them complete the forms.

It's been a few years since we have really focused on REPORTING our Return the Favor efforts, let's see what we can do to improve that this year!
