June 2009

WORDS FROM THE PREZ

The Prez Speaks:

It all started at the Annual Meeting 2009.

I wish to acknowledge a terrific effort to stage your 2009 Annual Meeting. Hats off to Senators Pete 11777 and Lynn 66295 Reinecker for the OUTSTANDING meeting. Good weather. Good Food. Great site. Great turnout. Good meeting. Thanks to the both of you and the committee.

In attendance were senators from Idaho, Washington and the next National President Doug Meyers#21511 from California. We had our own Ruth Jones, National Vice President, from Oregon who held a Region IX meeting in conjunction with our meeting. Elections were held to elect the next National Vice President for Region IX. Angie Struttman #64531 from Washington was elected to the position. Angie will be installed during the National Convention in June. Pete Reinecker #11777 was selected as the winner of the Jack Goodlander Award as the outstanding Senator in Region IX.

Closer to home, we have the Camp out at Diamond Lake July 17-19th. There are sites available. Please contact Sam Huff #34950 or Mike Estes #37719 immediately. Only if you attend and participate will this meeting be a success. There is a full meeting agenda, plus the site and date of the Fall Meeting will be revealed. The fishing has been terrific, the bugs few and VP Tony Lindsey #64014 has lots of activities planned. The meeting portion is scheduled for 11:00 AM. Subject to change as not to interfere with your good times and the fish bite. Rumor has it that a 100,000 sq acre golf course will be at our disposal.

Communications are an important issue to

Me. I appointed Melinda Sanfilippo #49714 as a Special Assistant to the President with two specific directives. First Melinda will edit the Spoutings during the year. Secondly, and most importantly, her task will be the completion of the Oregon JCI Website. Melinda's initial efforts have results in a working web site for your viewing. A recent survey was e-mailed to everyone asking you to review the site, make comments and suggestions for improvement. The only restriction to our site—no address or phone numbers will be available without password protection for that information. Only paid members will be issued a password. Our site will also link to other Senator sites that require acceptance. Please take the time to share your thoughts and ideas with Melinda. Send an email either to webmaster@oregonjcisenate.org or to farmgirl116@comcast.net. Better yet, check out www.oregonjcisenate.org.

Our Director of Communications, Mike Green, has begun providing timely information for and from our fellow Senators. Mike has a copy of the current roster available upon request. I will have printed copies available at Campout. If you wish to have Mike use the email system to alert fellow senators of events or worthy news, forward those articles to Mike for publication. All articles must show your name and senate number or they will not be forwarded.

I look forward to a fun year with YOUR HELP. Take the time to get involved with people you have not seen in awhile. Golf, Wine Tasting, or Campout is a great place to start.

Jim Allen #19261—President

Larry Cole is working with a few Senators and old Jaycees on collecting artifacts, ideas and suggestions on putting

together a museum to house and display the artifacts and memorabilia. With volunteer organizations in decline it is important to provide a place to display and research what volunteerism has done and can do for a community. It can be not a only a place to display artifacts but to do research on what

VOLUNTEERISM MUSEUM

volunteerism means and how it works to accomplish things. The museum can serve to rejuvenate a renewed sense of volunteering for a community or to accomplish something for a place or for a purpose or a group of people. We are looking for the appropriate place for the museum, whether it be in Oregon or another Northwest state, whether it be in a new building, a part of donated space in an existing building or whether the old state office building, all could be appropriate. While this work is being done, memorabilia stored in people's homes can be collected in one place for future use in the museum when we

finalize a place. That way we can start right away with displays rather than an empty building. It is also important to do this so artifacts aren't lost as people move and throw things away. Do you have some things stored in a truck or file cabinet that you would like to get rid of and contribute for this purpose? Uniforms, banners, flags, gavels, plaques, patches, pins, buttons, project memorabilia, letterhead, rosters, charters, project documentation, posters, or what ever you have from your Jaycee days.

If you are interesting in participating in this project or want to offer ideas or suggestions or send memorabilia, contact Larry Cole P.O. Box 502, Clatskanie, Oregon 97016 or email ldcole@charter.net.

WHERE'S WALDO?

JESS HUDSON —IPP REPORT

No words at time of press from our IPP, Jess Hudson. He probably is very busy enjoying the peace and quiet. Hopefully we will hear from him for the next issue that is due out in October. Hope all is well in Hillsboro and you are continuing to be in great health!

It is this editor's wish to add more photos of our JC past into our newsletter. Also a column dedicated to our children and grandchildren—Brag Box is yet another idea. The Board would also like to hear from you, the membership, with regards to your comments, praise and all the great things that are happening in our JCI lives.

Nothing shows a man's character more than what he laughs at"

Please send your email address to either Mike Green @ im-mikie@peak.org so you too can be getting these updates more often and quicker then by only via The Spoutings. We are emailing to all those whom we have an email address for. If you are getting this as a hard copy, send Mike your email address.

Let this editor know if you run into a past JCI and let me know what they are doing these days! It's nice to keep up on where we all have gone! Where are they now?

Thank you!!!

SECRETARY'S WORDS

Jerry Vanderpool sends his gratitude in the election of him to the office of secretary. He however was not able to get a news article to this editor in time for this issue. Come to the Campout, and he will see you there.

Vice President Tony Lindsey

At this time I am attempting to get a bid for a Fall meeting somewhere in the Northern part of the state. As of this writing, I do not have this done. We are planning on inviting the Washington Senate to this meeting as they have had a low turnout issue lately and this could be a lot of fun. Angie Struttman will be our new National Vice President and is our Washington neighbor.

Hopefully by the Campout at Diamond Lake, we will have more information on the future meeting spots locked in and will get that info out to you. I can tell you that Annual Meeting 2010 is in Hillsboro and info is on the new Oregon JCI Senate Website. I hope to be getting some proposals for meetings in at campout so if you attend the meeting, you will be the ones to vote on this. We as a board are still getting organized and focused and I'm sure that Jim will be putting information out very soon. I'd like to welcome Jim, Jerry, and Phil to their new positions and we are going to have a fun year.

Tony Lindsey.#64014

This month we have had to say goodbye to two wonderful Oregon JCI senators. #46379 Rick Boyce from the Portland Jaycees and #3788 Al Ringo from the Woodburn Jaycees. These two great JCs will be missed by both our organization as well as by their families. Watch your email inbox for more information.

Mike Green #49408.

Oregon JCI Senate Website

Yes, the Oregon JCI Senate indeed has their own website. Remember to check it out. We'd like to link to other sites that our members have and others. Currently it has a link to both the US JCI Senate website and to our very own Blog site where we can communicate with each other. Carol Lindsey has developed a site, which is only by approved membership that we can post responses and communicate with each other. It is my hope that our website will be improved here in a month or so to where you the paid member will have access to the more personal information such as rosters, phone numbers and addresses of your friends in this organizations. This information will ONLY be accessible by paid membership. If you do not pay your membership, then you will still have access to the basic website where we too will be posting pertinent information, just not the personal stuff.

*We believe that faith in God gives meaning and purpose to human life,
That the brotherhood of men transcends the sovereignty of Nations,
That economic justice can best be won by free men through free enterprise,
That government should be of laws rather than of men,
And that earth's great treasures lies in human personality,
And Service to humanity is the best work of life.*
