Chaplain's Report

Quite a lot happened this quarter - forgive me if I've missed anything: Randall Standish got his computer certification, with plans to continue in school to earn his Bachelor's in the computer field. He battled pneumonia shortly thereafter, but has recovered. Louise Zeile began nursing school in Sioux Falls, South Dakota. Ed & Jewell Yaguchi became grandparents for the 10th time. Emerson Bishop had knee replacement, and is doing fine. Ed Blakesley lost his only brother named Don, as Ed was enroute to NYC to visit Don. Don is also cousin to Bob and Candy Starowski. Pam Jahnke became a grandmother again.

Two of our Senators were recognized as having passed away: Raymond Biggers passed away in 5/07, but we only discovered it in 9/07. Tom Charbonneau died 10/07. Michelle Hempleman had a stroke but has recovered.

We're in the midst of "The Holiday Season". Besides being politically correct in the situation where you don't know the religion or beliefs of your neighbor or coworker, etc., it's a term that encompasses Thanksgiving, Hanukkah, and Christmas all in one (and maybe even more). Please remember the biggest goal of my position: to spread the

news of any items that you want your fellow Senators' support on, and it can be yours or that of someone in your family. These items might be things that you want to crow about (such as an award from another organization or a marriage or a grandchild), or an illness that you are battling. Perhaps you know of a Senator's death, and want him to be recognized by all of us. Please include an address for contacts, possibly even an email address, and definitely the Senator's number. I can be reached at washjcsenate@hotmail.com

God bless you - WA

2007 Washington Jaycee Year End Awards

Washington Senators abound,

The time is upon us go give with pride again with the sponsoring of an award **or two** (how's your investment portfolio?), for the **"2007 Year End Awards"** Convention for the Washington State Jaycees. It is my honor this year to coordinate this process.

The Washington Jaycees have worked very hard and as some of you know, they are in the hunt for #1 in the nation. I've been informed that there will many, many projects and individuals to recognize. Many outstanding projects have been completed with a lot of community service hours logged and many recruiters around the state to recognize. So let's help in recognizing these chapters and individuals who deserve the recognition!

As with years past, your name and Senator number are engraved on the plaque (if you wish this. It's not mandatory), to show you sponsored the award. I will provide a thank-you card on each person's plaque who receives an award, to complete with a self-addressed postcard to send to you, with gratitude, a Thank You for sponsoring their award. Or you can remain an anonymous sponsor. Let me know.

Please enclose the following information:

Name (as you would like it engraved). **Senator #.**

Current address (if you wish to receive a 'Thank you' from the recipient).

Phone number, in the event I need to contact you. **Email address** (if applicable).

The Year End Convention will be held January 18th – 20th, 2008 in Moses Lake.

As a Senator, we all remember the phrase "Wood is Good". Receiving a plaque is the pinnacle of a Jaycee being recognized for their commitment to a project or program that they chaired, or maybe being recognized as the best darn Jaycee of the quarter, of "the year", and being acknowledged at the "Year-End Awards in front of our peers"!!! And these plaques are paid for by you, a Washington State JCI Senator for life!

Send me your check, gold, silver, precious stones (no stocks or bonds please), for the worth of \$25.00. Please make checks payable: "Washington JCI Senate". Send the gold, silver, and precious stones in a padded envelope. Ha!

Please mail your check:

Randall Standish

1120 15th Ave, #6

Seattle, WA 98122-4522

In order for me to put the information on the plaques, I need to have your check and information to me by **January 3rd, 2008**.

Questions: I can be reached at (206) 322-4142 or email RandallStandish@juno.com.

Thanks everyone for your donation in advance!

'Twas the Night AFTER Christmas...

'Twas the night after Christmas, but I just couldn't sleep.
I tried counting backwards, I tried counting sheep.
The leftovers beckoned - the dark meat and white,
But I fought the temptation with all of my might.
Tossing and turning with anticipation,
The thought of a snack became infatuation.
So, I raced to the kitchen, flung open the door
And gazed at the fridge, full of goodies galore.
I gobbled up turkey and buttered potatoes,
Pickles and carrots, beans and tomatoes.
I felt myself swelling so plump and so round,
'Til all of a sudden, I rose off the ground.
I crashed through the ceiling, floating into the sky,
With a mouthful of pudding and a handful of pie.
But, I managed to yell as I soared past the trees....
Happy eating to all, pass the cranberries, please.
May your stuffing be tasty, your turkey be plump.
Your potatoes 'n gravy have nary a lump.
May your yams be delicious, your pies take the prize.
May your Christmas dinner stay off of your thighs.

HOPE YOU ALL HAD A MERRY CHRISTMAS AND
GIVE GOD THANKS FOR WHAT HE HAS DONE....
