IMPORTANT NOTE: If you are planning to spend the night at the meeting hotel reservations must be made before August 27 (sorry for the late notice ☹) to guarantee the rates in the block. Please book with the link provided here: [Double Tree](#)

Everyone enjoy the rest of the summer and I look forward to seeing you all soon!

There are vacancies to fill and I would like a couple more Senators on the Board. Meetings are held up to 3 times a year with Jaycees, and the Annual meeting on the last day of said meeting. If interested, please call Bev Briskey at 253-297-3551.

CHAPLAIN UPDATE

Do more that belong: participate.

Do more than care: help.

Do more than believe: practice

Do more than be fair: be kind.

Do more than forgive: forget.

Do more than dream: work.

William Arthur Ward

I don't think I have seen a quote that sums up the purpose and passion of the Jaycee movement in a long time. We all know that volunteering for anything can, at times, be highly challenging and a real test of character. When things don't work out as expected, we can struggle to see, or even begin to question, how much of a difference we're actually making.

As a group, and individually, we have faced challenges these past few years. Despite that, we continue to participate in leadership, help our communities, practice the Jaycee Creed, be kind to one another, forget wrong doings, and work to make the Jaycees and the Senate a better organization that we found it. We do this because volunteering is a global movement greater than the sum of its parts. So throughout the next year, when that small voice tells you that what you are doing doesn't matter, remember that your decision to contribute to that movement is in itself demonstration of your positive impact on the world.

Please keep the following in your prayers:

Dan Harries is on his way to a full recovery after surgery. He is walking up to 170 yards a day and hopes to be released by this Friday from the Precious Care & Rehabilitation Center. We look forward to seeing him soon!

Greg & Louise Hammrich lost their father earlier this year. Please keep them both in your thoughts and prayers during this difficult time.

HISTORICALLY SPEAKING

(Reprint from US JCE Senate E-News #2017 – 04)

DID YOU KNOW - "When JCI first offered the JCI Senatorship program to each JCI member country, it was a profit making project for JCI, then badly in need of operating cash. Initially, the cost of a Senatorship was US \$50, and the goal was to sell 1,000 such Senatorships worldwide. Many who had been and who were active, especially on the national and international levels, bought their own Senatorships, thus enabling JCI to pay daily operating costs, and eventually, they accumulated sufficient funds to acquire their own headquarters office building. However, it took 5 years to reach their initial goal, and JCI Senate #1000 was awarded on May 10, 1957, to then thirty-nine year old Robert E. (Bob) Feller of Cleveland, Ohio, famous baseball pitcher for the Cleveland Indians, and originally from Van Meter, Iowa."

From "FACTS, RUMORS, & MYTHS", written by Virg LeBow #2559 from MO and CA, in 1994.
