

APPLE CORP – AUGUST, 2017

Message from the President

Senators,

While summer is coming to an end it feels like it just arrived to the western side of Washington and with it came record setting heat & 52+ days with no rain—Yeah! But, it feels like a bad joke because with the sun came all the smoke so no one really wants to be outside anyway. Even with the incredible heat on both sides of our state, and the smoke, Washington Senators have been out in force supporting their local Jaycee chapters and enjoying the annual summer senate functions like any other year. I am proud to be a part of this group that doesn't let each other down no matter what stands in our way!

For 2017-2018 please welcome with me your new Senate Team:

- Vice President – Pam Jahnke
- Treasurer – Bob Havens
- Secretary – Kathy Miller
- Hospitality – Ketra Stumpf
- COB – Ketra Stumpf
- Website PM – Jay Stumpf
- Chaplain – Open
- Scholarship PM – Open
- First Timers PM – Open
- Newsletter - Open

Some of us are serving for a 2nd year in the same position, some have switched it up, and we have some openings left to fill. If you are interested, we would love to have you join us!

In case you haven't heard—there is only **35 DAYS UNTIL THE NATIONAL SENATE FALL**

BOARD MEETING IN PASCO! This event takes place September 14 – 17 at the Red Lion in Pasco, WA. The Washington Jaycees will be there to help with hospitality, and they will be holding their annual meeting and elections. **And our next Senate meeting will be in conjunction with the US JCI Senate Fall Board Meeting on Sunday, September 17 at 10am.** The registration forms for both the National Senate Fall Board and the Washington State Fall Board Meetings are attached at the end of the newsletter.

IMPORTANT NOTE: Deadlines for registration, tour sign-up, and hotel reservations are fast approaching. Please check the registration form at the end of the newsletter.

Everyone enjoy the rest of the summer and I look forward to seeing you all soon!

TREASURER'S REPORT

My Fellow Senators,

Thank you for trusting me to be your Treasurer again for 2017-18. We have a lot of activities in which we would love to have you participate. We are hosting the USJCI National Fall Meeting. We could really use your help putting on this event.

If you go to our website: www.wajcisenate.org, you might notice that it is under development with a new look and feel. Not all of the old site has been converted to the new format yet, but it will be. Jay Stumpf is the Website Manager. His job is to gather suggestions for improvements to the website and coordinate them with the new webmaster, me. One of the new features is a mobile phone view that focuses on the convention. This view is different than the view from the main site. Go check it out.

One of the newest improvements to our convention registration process is that we can now accept credit card payments. We will evaluate the effectiveness of this and see if it makes sense for us to use this format for other types of projects.

Our investment accounts are doing quite well. We rebalanced the accounts to be more conservative about 9 months ago. With this we were able to take advantage of the growth in the market and also hedge against some uncertainty of it. Our taxes were filed on time, which keeps our non-profit status up-to-date. So, if you have any donations that you would like to make, it would be tax-deductible.

Looking forward to seeing you at the next event.

SUMMER RECAP

DAYTON CRAZE 2017 RECAP

I usually pride myself on my ability to express myself in words, but I am struggling to find just the right words to describe you attendees of Dayton Craze 24. To suffer through the sweltering heat to attend our event speaks volumes for all of you. I am proud to be a part of Dayton Craze & to be able to work together with my fellow Walla Walla Senators & Spouses to provide a fun filled campout. But my pride after this past weekend far surpasses anything I have felt in the past. You are all truly wonderful.

REGION 9 NVP UPDATE

Hello everyone, I just got back from Chicago National Convention. Had a great time. You might be amazed (and I know I was) when I won an award of merit from National President Jim because he said, "I was a hard lady, but my States really like her and I respect that." I didn't expect it, but I was dressed better than when I got a State President award. I started off last year with a bang but when my dad got sick I changed focus. My dad is on his second cocktail of Chemo, getting weaker but we hope he lasts till his granddaughter gets married at the end of August. I have taken on a second year as NVP because Idaho begged me, and I want to finish

what I started. Going to Montana, Idaho, and then Washington campouts. Hope to see you there and want everyone to be at and/or help Angie with the National Fall Board in Pasco September 14-17. It should be a blast. Senate conventions are funner than Jaycee National Conventions.

Reach out and touch.

It's Hammer time.

Welcome to Tri-Cities, Washington!

Welcome to the Tri-Cities (Pasco, Kennewick & Richland), a growing metropolitan area in southeast Washington where 300 sun filled days offer visitors a year round outdoor paradise. Fun in the sun is a way of life in the Tri-Cities—one reason it's among of the most popular spots for Washington vacations. Recreation and sports enthusiasts will love everything there is to do in Tri-Cities, including bicycling, bowling, hunting, and soccer, as well as fishing, water-skiing and paddling on the Columbia, Snake, and Yakima rivers. The area's ten beautiful golf courses challenge the most experienced players, but can be enjoyed by beginners as well. After savoring just one of the local premium wines, visitors will understand why the area has been rightfully called the "Heart of Washington Wine Country." Tri-Cities, Washington boasts more than 200 wineries within a 50-mile radius, producing some of the finest wines in the world, thanks to the climate and geography of the area. www.visittri-cities.com
